- d) The final selection will be made on the basis of the lowest responsible bid meeting the specifications. The award of the contract, if awarded, will be to the lowest responsible bidder whose proposal complies with all of the requirements. In the event of a tie bid, the State will draw lots to determine the successful contractor. Only one proposal or bid may be submitted by an entity: individual, firm, partnership, corporation, joint venture or combination thereof. Receipt of more than one bid from an entity will result in all bids from that entity being rejected and returned to the bidder.

10. Award and Protest

The protest must be submitted to the Department of Transportation prior to the award of contract. In such case, the contract shall not be awarded until

either the protest has been withdrawn or the Department of General Services has decided the matter.

- d) Filing an Initial Protest: Within five (5) days after filing the initial protest, the protesting bidder shall file with the Department of Transportation a full and complete written statement specifying the grounds for the protest. The written protest must be sent to the addresses below:

In addition, the contractor shall be liable to the State for the difference between contractor's bid price and the actual cost of performing work by the second lowest Bidder or by another contractor.
- b.) All performance under the contract shall be completed on or before the termination date of the contract.
- c.) The bidder declares that the only persons or parties interested in this bid proposal as principals are those named herein; that this bid proposal is made without collusion with any other person, firm or corporation; and the bidder has carefully

examined the Invitation for Bid (IFB), the Proposed Form of Agreement, and the special provisions herein referred to, and proposes and agrees, if this proposal is accepted, that the bidder will contract with the State to provide all necessary labor, materials, tools or equipment in the time and manner specified.

- d.) If the bidder is awarded the contract and refuses to sign the contract presented for signature within the time and manner required, the bidder will be liable to the Department of Transportation for actual damages resulting to the Department therefrom of 10% of the amount bid, whichever is less.

D) Special Programs

The following Special Programs are applicable to this IFB.

1. Small Business or Microbusiness Preference

If prospective Contractor is claiming the 5% certified Small Business or microbusiness preference, complete Section 16, Attachment 4 (Bid/Bidder Certification Sheet) and attach a copy of your certification (See Attachment 4).

If prospective Contractor is committing to subcontract 25% or more of their net bid price to one of more Certified Small Businesses or microbusiness, complete Attachment 3, Small Business Subcontractor Preference Form For Non-Small Business Bidders.

Additional References: <http://www.pd.dgs.ca.gov/smbus/default.htm>

Section 14835, et seq. of the California Government Code requires that a five-percent preference be given to contractors who qualify as a certified small business or microbusiness. The rules and regulations of this law, including the definition of a small business for the delivery of services, are contained in Title 2, California Code of Regulations, Section 1896, et seq. To claim the small business or microbusiness preference, your firm must have its principal place of business located in California and be certified by the Department of General Services, Office of Small Business Certification and Resources. The preference amount may not exceed \$50,000 for any bid.

Pursuant to Government Code Section 14838 and Title 2 of the California Code of Regulations, Section 1896, in order to facilitate the participation of small businesses, including microbusinesses, the preference to such businesses shall be 5% of the lowest responsible bid. If a bidder is not a certified small business, but wishes to be eligible for the 5% "non-small business" bidders preference, the bidder must subcontract at least 25% of its net bid price to one or more certified small businesses. The proposer must provide a list with its bid identifying such certified small businesses or microbusinesses (ADM 3019, Attachment 3). Preferences may not be awarded to a noncompliant bidder and may not be used to achieve any applicable minimum requirements.

Small business and microbusiness bidders shall have precedence over non-small business bidders in the application of any bidder preference for which non-small business bidders may be eligible.

Questions regarding the certification approval process or Small Business program should be directed to that office at (800) 559-5529 or (916) 375-4940. For the 24-Hour Recording & Mail Request call (916) 322-5060.

- B. The amount of this forfeiture shall be determined by the Labor Commissioner and shall be based on consideration of the mistake, inadvertence, or neglect of the Contractor or Subcontractor in failing to pay the correct rate of prevailing wages, or the previous record of the Contractor or Subcontractor in meeting his or her prevailing wage obligations, or a Contractor's willful failure to pay the correct rates of prevailing wages. In addition to the penalty and pursuant to Labor Code Section 1775, the difference between the prevailing wage rates and the amount paid to each worker for each calendar day, or portion thereof, for which each worker was paid less than the prevailing wage rate shall be paid to each worker by the Contractor or Subcontractor.
- C. If a worker employed by a Subcontractor on a public works project is not paid the general prevailing per diem wages by the Subcontractor, the prime Contractor of the project is not liable for any penalties described above unless the prime Contractor had knowledge of that failure of the Subcontractor to pay the specified prevailing rate of wages to those workers or unless the prime Contractor fails to comply with all of the following requirements:
- 1.) The Agreement executed between the Contractor and the Subcontractor for the performance of work on the public works project shall include a copy of the provisions of Sections 1771, 1775, 1775.5, 1776, 1813 and 1815 of the Labor Code.

EXHIBIT B
Standard Agreement

- 3.) Upon becoming aware of the failure of the Subcontractor to pay his or her workers the specific prevailing rate of wage, the Contractor shall diligently take corrective action to halt or rectify the failure, including, but not limited, to retaining sufficient funds due the Subcontractor for work performed on the public works project.
 - 4.) 1. Small Business or Microbusiness Preference

If prospective Contractor is claiming the 5% certified Small Business or microbusiness preference, complete Section 16, Attachment 4 (Bid/Bidder Certification Sheet) and attach a copy of your certification (See Attachment 4).

If prospective Contractor is committing to subcontract 25% or more of their net bid price to one of more Certified Small Businesses or microbusiness, complete Attachment 3, Small Business Subcontractor Preference Form For Non-Small Business Bidders.

Additional References: <http://www.pd.dgs.ca.gov/smbus/default.htm>

Section 14835, et seq. of the California Government Code requires that a five-percent preference be given to contractors who qualify as a certified small business or microbusiness. The rules and regulations of this law, including the definition of a small business for the delivery of services, are contained in Title 2, California Code of Regulations, Section 1896, et seq. To claim the small business or microbusiness preference, your firm must have its principal place of business located in California and be certified by the Department of General Services, Office of Small Business Certification and Resources. The preference amount may not exceed \$50,000 for any bid.

Pursuant to Government Code Section 14838 and Title 2 of the California Code of Regulations, Section 1896, in order to facilitate the participation of small businesses, including microbusinesses, the preference to such businesses shall be 5% of the lowest responsible bid. If a bidder is not a certified small business, but wishes to be eligible for the 5% "non-small business" bidders preference, the bidder must subcontract at least 25% of its net bid price to one or more certified small businesses. The proposer must provide a list with its bid identifying such certified small businesses or microbusinesses (ADM 3019, Attachment 3). Preferences may not be awarded to a noncompliant bidder and may not be used to achieve any applicable minimum requirements.

Small business and microbusiness bidders shall have precedence over non-small business bidders in the application of any bidder preference for which non-small business bidders may be eligible.

Questions regarding the certification approval process or Small Business program should be directed to that office at (800) 559-5529 or (916) 375-4940. For the 24-Hour Recording & Mail Request call (916) 322-5060.
